About the Presenter

Lisa A. Zimmer MSW, LISW-S, LICDC-CS, Assistant Field Service Professor and Director of Field Education in Social Work at the University of Cincinnati, has more than 23 years of experience in various social work roles including administrator, clinical supervisor, and direct practice provider in agency, health care, and private practice settings. Her areas of expertise are mental health and addiction treatment. She earned her bachelor's degree from Northwestern University and her master's degree from the University of Kentucky. She holds independent licensure with supervision designations in both social work and chemical dependency counseling in the State of Ohio. Her academic interests include diagnosis and assessment, cognitive-behavioral therapy, motivational enhancement, work with the criminal justice-involved population, integrated behavioral healthcare, the therapeutic relationship, developmental supervision, and implementation of research into practice.
