About the Presenter

Benjamin Just, PT, MPT, is a physical therapist who is currently pursuing a Ph.D. in Educational Studies with a focus in Instructional Design and Technology at the University of Cincinnati. He is an instructor in the Doctor of Physical Therapy program in the College of Allied Health Sciences at the University of Cincinnati where he has developed numerous courses with an emphasis on intrinsically motivating students using practical application of knowledge and a patient centered care model including Medical Screening for Differential Diagnosis and Patient Care Management in Acute Care. Ben has worked as a traveling physical therapist in a variety of practice settings across the country and continues to practice clinically at UC Medical Center. Ben is able to use his diverse experience in order to merge the clinical and the classroom settings to better prepare students for the rigors of both.
