

Preeclampsia Management & Outcomes

20th Annual Regional Perinatal Summit
Friday, October 15, 2021
12:15 – 4:30 pm
Virtual Conference

SUMMIT PURPOSE

The purpose of the Annual Regional Perinatal Summit is to bring together clinical and public health leaders to review and discuss current perinatal issues, data, and ideas that can be addressed to improve pregnancy outcomes within the region.

SUMMIT DESCRIPTION

This year's Summit will explore preeclampsia management, implementation of hypertension bundles, Ohio's post-partum hypertension prevention and awareness initiatives, and late preterm infant outcomes. Participants will be better prepared to care for the hypertensive maternal patient and recognize late preterm infant risk factors thereby improving maternal health and infant outcomes.

TARGET AUDIENCE

The Annual Regional Perinatal Summit is designed for physicians, nurse practitioners, nurses, social workers, and other perinatal health professionals providing services to pregnant women and their families.

Perinatal Outreach Program

Preeclampsia Management & Outcomes

Friday, October 15, 2021

Conference is being held virtually via Zoom

Sponsored by the Perinatal Institute

REGISTRATION

- **FREE** - Includes continuing education credits
- Online registration **REQUIRED**
- The **ZOOM** link will be sent to registrants the week of the conference
- Register at:

OBJECTIVES

- Discuss the etiology, diagnosis and management of preeclampsia
- Summarize the recurrence risk of preeclampsia and preventative options in future pregnancies
- Explain the ACOG hypertension project Trihealth participated in and their improvement goal
- Describe the ODH/AIM hypertension project and the Trihealth project goal
- Outline current statewide initiatives to improve maternal health and infant outcomes
- Identify the focus areas of the state maternal health strategic plan
- Discuss current trends and epidemiology of late preterm birth
- Describe both neonatal and early childhood outcomes associated with late preterm birth
- Explain the importance of multi-disciplinary teamwork in supporting the care of the mother-infant dyad

CONTINUING EDUCATION INFORMATION

In support of improving patient care, Cincinnati Children's Hospital Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: Cincinnati Children's designates this live format for a maximum of **3.25** AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing: This activity is approved for a maximum **3.25** continuing nursing education (CNE) contact hours.

ABP MOC Part 2: Successful completion of this CME activity enables the participant to earn **3.25** MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

IPCE: This activity was planned by and for the healthcare team, and learners will receive **3.25** Interprofessional Continuing Education (IPCE) credits for learning and change.

AGENDA

Preeclampsia Management and Outcomes

- 12:15 pm** **Sign-in to Zoom and Text for Attendance**
- 12:30 pm** **Welcome, Regional Statistics, & Introductions**
Scott L. Wexelblatt, MD
