

35th Annual Tri-State Craniofacial Conference

Craniofacial Disorders: Past, Present and Future

Friday, November 8, 2024
8:00am-3:00pm

Cincinnati Children's
Sabin Auditorium

3333 Burnet Ave.
Cincinnati, OH 45229

Craniofacial Disorders: Past, Present and Future

7:30-8:00 a.m.	Check in and registration
8:00-8:15 a.m.	Welcome and opening remarks
8:15-9:10 a.m.	<i>Keynote presentation</i> Historical Perspective of Career Dr. Ann Kummer, MAT, PhD, CCC-SLP
9:10-9:20 a.m.	<i>Keynote presentation Q&A</i>
9:20-9:35 a.m.	Break and exhibitor time
Session 1	
9:35-9:55 a.m.	Facial Animation Dr. Greg Borschel, MD <i>Riley Children's Health</i>
9:55-10:15 a.m.	Management of Chronic Ear Disease in Cleft Patients Dr. Michael Demarcantonio, MD <i>Cincinnati Children's</i>
10:15-10:35 a.m.	Inpatient Audiology: Creative Strategies for Management of the Medically Complex Dr. Evan Murphy, AuD, CCC-A, F-AAA <i>Cincinnati Children's</i>
10:35-10:55 a.m.	Insights from Broad Genetic Testing in Craniofacial Patients Courtney Brown, MS, CGC <i>Cincinnati Children's</i>
10:55-11:05 a.m.	Session 1 Q&A
11:05-12:05 p.m.	Lunch and exhibitor time
Session 2	
12:05-12:25 p.m.	Nasal Dermoid Cysts Dr. Brian Pan, MD, FACS, FAAP <i>Cincinnati Children's</i> Dr. Jesse Skoch, MD, FAANS, FACS <i>Cincinnati Children's</i>
12:25-12:45 p.m.	The Role of TMJ Surgery in Craniofacial Reconstruction Dr. Deepak Krishnan, DDS, FACS <i>University of Cincinnati, Cincinnati Children's</i>
12:45-1:05 p.m.	Complex Cases Dr. Ann Kummer, MAT, PhD, CCC-SLP
1:05-1:15 p.m.	Session 2 Q&A
1:15-1:30 p.m.	Break and exhibitor time

Session 3

1:30-1:50 p.m.	Use of a Remote Weight Monitoring Program in Infants with Cleft Palate Theresa Mayes, RD, CSP, LD, CCRC <i>Cincinnati Children's</i>
1:50-2:10 p.m.	Feeding Challenges in the Craniofacial Population Jodie Eilerman, MA, CCC-SLP <i>Cincinnati Children's</i>
2:10-2:15 p.m.	Session 3 Q&A
2:15-2:45 p.m.	Coordinator Panel: Team Facilitation and Care Challenges Allie Bauer, BSN, RN III, CPN , <i>Cincinnati Children's</i> Caitlin Church, BS, <i>Riley Children's Health</i> Brooke Skaggs, PA-C, <i>University of Kentucky Hospital</i> Amanda Smith, RN, BSN, CPN <i>Nationwide Children's</i> Kim Lyles, BSN, RN II, CPN <i>Cincinnati Children's</i>
2:45-2:50 p.m.	Nursing panel Q&A
2:50-3:00 p.m.	Closing remarks and credit information

Course Overview

During the 35th Annual Tri-State Craniofacial Conference, team providers across disciplines will be given the chance to come together to review best practice for those impacted by cleft and craniofacial conditions. Current research trends, surgical techniques, treatment strategies and care coordination procedures will be reviewed in efforts to collaborate, share experiences, and enhance team care across the tristate area. The conference is open to providers, residents and medical students involved in multi-disciplinary care with those impacted by craniofacial disorders.

On behalf of the Cleft and Craniofacial Team at Cincinnati Children's, we thank you for joining us for this meeting.

Learner Objectives

By the end of the conference, participants will be able to:

1. Describe opportunities for expanding skill sets and practice to optimize care for those impacted by craniofacial conditions.
2. Discuss innovative surgical management trends for patients with cleft and craniofacial conditions.
3. Apply learnings to enhance evaluation and treatment in ambulatory settings.
4. Summarize current research advancements related to the craniofacial population.

5. Develop goals to improve care coordination post team appointments for patients and their families.

Educational Gap

Children born with clefts and craniofacial anomalies require skilled and coordinated evaluation and treatment by a team of specialists with expertise in a variety of areas. Interdisciplinary cleft and craniofacial teams are challenged to ensure care is provided in a timely and consistent manner with the proper sequencing of care. With access to outcomes research, new treatment options, enhancements in team-based care, craniofacial teams can continue striving to meet patients' overall developmental, medical, and psychological needs.

Accreditation

In support of improving patient care, Cincinnati Children's Hospital Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician: This activity has been approved for *AMA PRA Category 1 Credit™*.

Nursing: This activity is approved for continuing nursing education (CNE) contact hours.

MOC/CC: Successful completion of this CME activity enables the participant to earn MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) or American Board of Surgery's Continuing Certification program.

IPCE: This activity was planned by and for the healthcare team, and learners will receive Interprofessional Continuing Education (IPCE) credits for learning and change.
