# The CCHMC 15th Annual H.U.C. Education Conference Thursday October 20, 2016

We will be focusing on current topics of healthcare. Our goal is to keep the Health Unit Coordinator ahead of the curve. This conference will empower and educate current Health Unit Coordinators on how to handle challenging situations by bringing current trends to the forefront. Throughout this conference we will discuss topics related to; Current Trends in Healthcare, Lean Concepts, Workplace Bullying, Active Shooter Scenarios, Teenage Suicide, and Mental Health Issues. The conference will conclude with techniques of healthy food preparation.

7.0 contact hours will be awarded for Health Unit Coordinators who attend the entire program and complete the evaluation form. Cincinnati Children's Hospital Medical Center is an Institutional Provider of continuing education by the National Association of Health Unit Coordinators.
