

CRAFT, LUNCH, & LEARN

Thursday, July 18, 2019

9:00am-1:00pm
12:00pm –4:00pm

If you're unable to make all of one session that's O.k. just let us know. We would still want you come for the time you're able.

Lunch Presentation: *Cleft Lip/Palate & Resonance Disorders*

Corinne Brill, MA, CCC-SLP
Cara Werner M.A., CCC-SLP

- Assemble craft packets

- Observe/Discuss a clinical case video

(Can count as possible observation credit (2 hours per session)*

- Open Q&A during (complimentary) lunch between 12-1
- Talk to SLP's about what it's like to work at Children's
 - Start networking
- Tour the main CCHMC Speech offices

*** Verify your University's observation requirements**

The Craft of the Month Committee hosts this Bi-Monthly event at which craft supplies are assembled/packaged for SLPs to use in language and articulation therapy sessions.

This is a great opportunity to provide your much appreciated volunteer services, while also building relationships with the staff of the largest Speech-Language Pathology
