The Division of Developmental & Behavioral Peadiatrics and Division of Adolescent and Transition Medicine at Cincinnati Children's are proud to sponsor

Patience White, MD

Co-director of Got Transition® and Senior Medical Director at the National Alliance To Advance Adolescent Health

Dr. Patience White is an adult and pediatric Rheumatologist and Professor of medicine and pediatrics at the George Washington University School of Medicine and Health Sciences, with 30 years of experience addressing transition to adult health care issues for children and young adults with chronic childhood conditions. She is responsible for project management for Got Transition®, the national resource center on health care transition, which provides technical assistance to health plans, Title V agencies, pediatric and adult primary and specialty care practices and professional societies, and health professional training programs.
