

Cincinnati Children's Hospital Medical Center Center for Professional Excellence

Friday, November 20, 2015

7:30 a.m.—3:30 p.m.

Xavier University's Schiff

Family Conference Center at Cintas Center

Purpose

This workshop is for school nurses and professionals working with children of all ages, and will explore various health care issues facing school nurses.

Objectives

- Identify the characteristics of students who are at risk to attempt suicide.
- Discuss the school nurse role related to identification and screening of substance abuse.
- Examine the school nurse's unique and collaborative role related to caring for highly vulnerable students.
- Differentiate accidental vs. abusive injuries.
- Identify current trends and updates in care of students with GI disorders.
- Discuss current trends in the legal aspects of school nursing.
