

Caring for kids?

Get access to a **virtual network of autism experts** to help your patients without the wait

ECHO Autism

Cincinnati Children's Hospital
Medical Center

ECHO Autism

What is ECHO Autism?

- A virtual learning network of medical providers
- Real-time access to autism and behavioral experts at Cincinnati Children's
- An innovative system that allows professionals to:
 - Increase confidence in identifying and treating autism symptoms
 - Expand knowledge about behavioral treatments

How will ECHO Autism help me?

- Regular, convenient access to experts:
 - Developmental and Behavioral Pediatrician
 - Clinical Child Psychologist
 - Resource Coordinator/Social Worker
 - Parent advocate/educator
- Increase knowledge about:
 - Evidence based practices for screening, diagnosis and treatment of autism
 - Common medical and psychiatric concerns in children with autism through case based learning
 - Successful office visits for children with autism and other behavioral concerns
- Care for your patients in your own practice with the support of nationally recognized autism experts

How does it work?

- Meets twice monthly - 1st and 3rd Wednesday 12-1:30pm EST
- Free CME, ABP MOC Part 2 or CNE
- Discuss complex cases in YOUR practice for real-time advice from experts
- Learn from short evidence-based topic presentations (Sleep, GI, behavior issues, school problems, medication management)

What do I need to get started?

- Internet access
- A front-facing camera on smartphone, tablet, or computer/webcam

Why should ECHO Autism matter to you?

- 1 in 59 children in the US have autism (per the most recent Centers for Disease Control publication)
- Children with autism have:
 - Trouble with sleep (50-80%)
 - GI issues (40-80%)
 - Co-occurring anxiety or ADHD (More than 50%)
- Parents need medical support in their home communities
- You can make a huge difference for families in your community!

Join our team to bring
the best autism care
to primary care.

Julia Anixt, MD

Developmental and Behavioral Pediatrician
Medical Director, The Kelly O'Leary Center for
Autism Spectrum Disorders

improving care for patients with autism

Earn free CME, ABP MOC Part 2 or CNE

In support of improving patient care, Cincinnati Children's Hospital Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: Cincinnati Children's designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*™ per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABP MOC Part 2: Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 1.5 MOC points per session in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Nursing: This activity is approved for a maximum 1.5 continuing nursing education (CNE) contact hours.
