3:00-3:30 pm	Peter Lu, Nationwide Children's Hospital – Case presentation and discussion	30 mins

3:30-4:00 pm Break/Vendor Visit

Module 2: Sacral Nerve Stimulation

4:00-4:20 pm	Nelson Rosen, CCHMC – What is SNS and when to consider it	20 mins
4:20-4:40 pm	Beth Rymeski, CCHMC – Surgical considerations of SNS placement	20 mins
4:40-5:00 pm	Peter Lu, Nationwide Children's Hospital – Posterior Tibial Nerve Stimulation	20 mins
5:00-5:30 pm	Jason Frischer, CCHMC – Case presentation and discussion	30 mins

5:30-6:00 pm Break/Vendor Visit

6:00-8:00 pm Reception

Saturday October 4, 2025

7:00-8:00 am	Registration/Breakfast	
8:00-8:30 am	Keynote speaker: Samuel Nurko, Boston Children's Hospital Where are we heading with gastrointestinal neurostimulation?	30 mins

Module 3: Percutaneous Electrical Nerve Field Stimulation

8:30-8:50 am	Katja Karrento, Children's Milwaukee – What is PENFS and when to consider it	20 mins
8:50-9:10 am	Neha Santucci, CCHMC – Advancing the understanding of PENFS with research	20 mins
9:10-9:30 am	Erini Kostandy, CCHMC - Alternative therapies to PENFS	20 mins
9:30-9:50 am	M Miller, CCHMC – Using Behavioral Medicine as an Adjunct to PENFS	20 mins
9:50-10:10 am	Kristen Beck – PENFS placement and follow up considerations	20 mins
10:10-10:40 am	Kahleb Graham, CCHMC – Case presentation and discussion	30 mins

10:40-11:00 am Break/Vendor Visit

Module 4: Newer modalities/Adjunctive therapies

11:00-11:20 am	Satish Rao, Augusta University – Translumbosacral Anorectal Magnetic Stimulation	20 mins
11:20-11:40 am	Prasanna Kapavarapu, CHOP – Pediatric TAMS	20 mins
11:40-12:00 pm	Christopher Lee, CCHMC – Acupuncture in Gastrointestinal Pain	20 mins
12:00-12:20 pm	Jessica Saunders, CCHMC – Neurostimulation for Headaches	20 mins
12:20-12:30 pm	Closing Remarks: Ajay Kaul	

12:30-1:30 pm Lunch/Vendor Visit

Module 5: Hands on

1:30-3:00 pm
