

How to Sign into CloudCME_Non-CCHMC User

Tip! For best results, use a **computer**, not a phone or tablet.

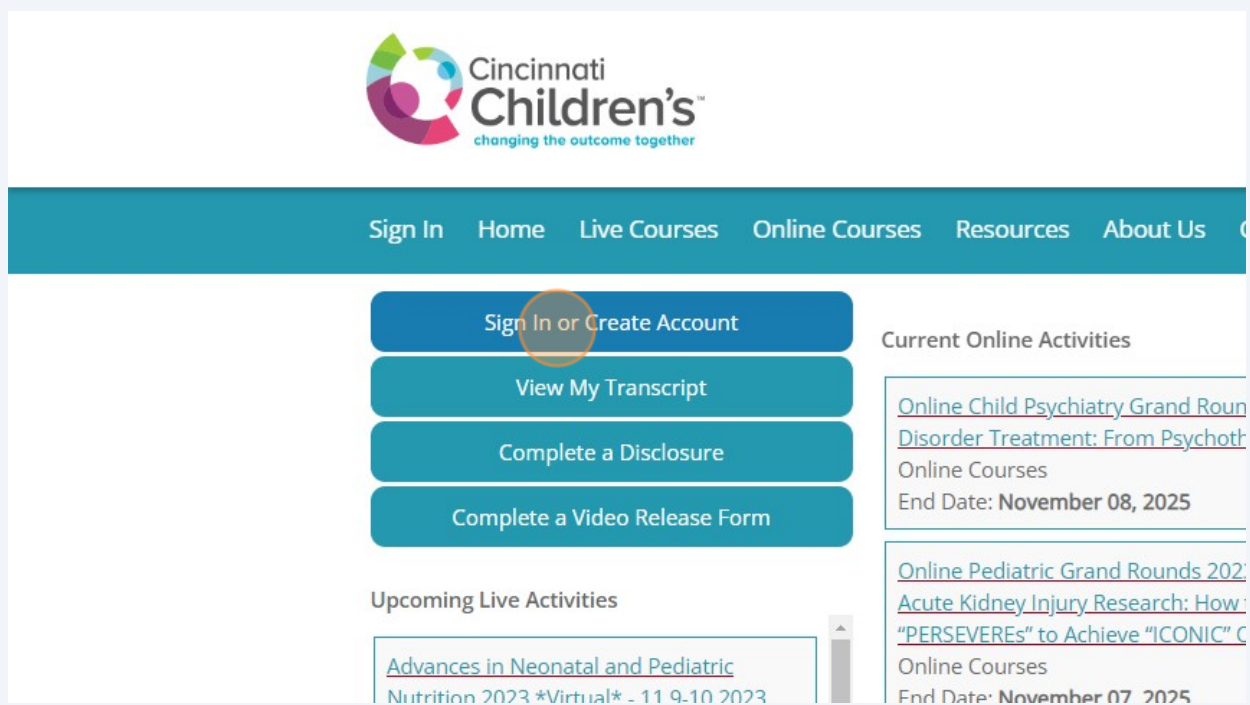

Tip! For best results, use [Google Chrome](#) or [Mozilla Firefox](#), not Internet Explorer or Microsoft Edge.

1

Navigate to <https://cchmc.cloud-cme.com>

2

Click "Sign In or Create Account"

3 Click "Sign in/Create an account with email and password"

Enter your email and password to login:

Email

Login >

< Back to Login Provider

Forgot Your Password?

5 Click "Login"

The screenshot shows a web application's login page. At the top is a teal navigation bar with links: Sign In, Home, Live Courses, Online Courses, Resources, About Us, Contact Us, and Help. The main content area has a grey background with the text "Enter your email and password to login:". Below this are two input fields: the first contains "@gmail.com" and the second contains "*****". A dark grey "Login >" button is positioned below the password field and is highlighted with an orange circle. At the bottom right of the login area are two buttons: "< Back to Login Provider" and "Forgot Your Password?". At the bottom of the page, there is a teal button labeled "Sign In or Create Account" and a section titled "Current Online Activities".

6 If you need to reset your password, click "Forgot Your Password?" and enter your email address. You will get an email with a link to reset your password. Check your junk mail if you do not see it.

This screenshot shows the same login page as above, but with the "Forgot Your Password?" button highlighted by an orange circle. The "Login >" button is still visible. The "Current Online Activities" section at the bottom is expanded, showing a list of activities. The first activity is "Online Child Psychiatry Grand Rounds 2023 - Best Practices for Adolescent Substance Use Disorder Treatment: From Psychotherapy to Infrastructure 11.8.2023", with an "Online Courses" label and an "End Date: November 08, 2025". On the right side of the page, there is a vertical stack of teal buttons labeled "Pedi", "Nur", and "Phar".
