

CCHMC Women in Medicine and Science (WIMS) Organization 2021 Visiting Professor

Vineet Arora, MD, MAAP

Herbert T. Abelson Professor of Medicine
Assistant Dean Scholarship & Discovery, Pritzker School of Medicine
Associate Chief Medical Officer-Clinical Learning Environment
University of Chicago Medicine

Grand Rounds
Tuesday, June 15th
8am-9am EST

Leveraging COVID-19 to Advance Gender Equity for Women In Academic Medicine

Learning objectives:

- Discuss how to sustain and salvage professionally and personally during and after the pandemic with a focus on women in medicine
- Highlight how to elevate healthcare voices, especially those of women in medicine, during and after the pandemic

WIMS will also be hosting small group, Q&A sessions with Dr. Arora that day for women faculty members

- **10-10:50am** - Small Group Session #1 will be geared towards *trainees and early career women faculty members*
- **11-11:50am** - Small Group Session #2 will be geared towards *mid-career women faculty members*

Sign up for the small group sessions here → [WIMS Small Group Sessions with Dr. Arora](#)
